ENABLING OUR CLIENTS TO  
EXPEDITIOUSLY RESPOND TO  
MAN-MADE AND  
NATURAL CATASTROPHIC EVENTS  
BY DELIVERING  
PEOPLE, PROCESSES AND TECHNOLOGY  
BASED SOLUTIONS THAT  
FULFILL CLIENT AND  
INTERESTED PARTY EXPECTATIONS.

# SUCCESSSES

GRS immediately RESPONDED and DEPLOYED 100% of requested qualified claims professionals, as a first-call provider of property adjusting services along the Gulf Coast.

GRS has been SELECTED as a preferred provider of services to some of Florida's largest property underwriters.

As a result of the 2004 - 2005 hurricane seasons GRS teams throughout the Gulf Coast CLOSED tens of thousands of claims totaling hundreds of millions in insured property losses.

GRS is the PREFERRED employer because GRS pays adjusters more accurately and promptly than any other firm in the industry.

GRS's EXPERIENCED professionals have handled the whole spectrum of claim types from the 9/11 terrorist attacks to the California earthquakes.

# SERVICES

Property and casualty adjusting services

Property/Casualty - related cost and database development, information reporting and data discovery

Evaluate, negotiate, settle and recommend claim(s) payment

File reviewers and re-inspect teams to ensure accurate and timely file closure

Claims management and loss adjusting administration

Claims and cost tracking

Reserve reporting and analysis

# BENEFITS

Appropriate People, Processes and Technology to anticipate needs and exceed expectations

Clients receive a higher quality of finished claim file product due to extensive system of internal reviews

Increased understanding of liability exposures

Ability to better manage risks

More effective litigation strategies

Enabling clients to manage, mitigate, understand, quantify, control and more effectively litigate claims and costs

Giving clients the real time information resources they need to make strategic decisions having large, long-term consequences in liability situations

# CLIENTS

Underwriters

Policyholders

Brokers

Attorneys

P & I correspondents

# VALUE PROPOSITION

GRS property and casualty-related services increase efficiencies in a claims event, to both underwriters and policyholders, by arming clients with more accurate and timely reporting of what is really happening on the ground AND limiting liabilities with faster, more effective, multi-faceted claims settlement programs.

# A WORLD OF EXPERIENCE

## SUMMARY OF GRS

With an experienced legacy dating from 1992, Global Risk Solutions, Inc. (“GRS”) professionals have been providing high-value services to international and domestic clients. GRS offers clients the responsiveness and devotion only available from an independently owned service provider.
